WEDDING - iPad packages

This package is definitely one for the future, a totally digital solution to your wedding album.

Every single image is edited to look their very best and presented in our artistic style as a digital album and artistically produced on the apple iPad, As well as receiving your iPad with every image taken edited to our unique style and quality, you will also receive a lower resolution version of your pictures stored on the iPad to share on face book or my space which of course you will be able to upload direct from your brand new iPad.
